

SAY WATCHU GOTTA SAY

Song: Armin Fähndrich Text: Michelle Gsteiger

1. You're doing things
that you don't want to do - no way!
You are too shy but you have something to say.
You want to scream cause it hurts, but you don't dare.
They all behave, really strange, like they don't care.

Pre-Chorus:

*Don't forget, you've got a voice
Don't forget, you have a choice
the change is in you
Don't forget, you have a choice,
don't forget to free your voice
And: Say watchu gotta say!*

2. They're all so strong
and you want to be the same as they do?
They're all respected but what about, what about you?
You want to say something you can't hide anymore!
You have the key to your heart and to open this door!

Chorus:

**Say it loud, don't hide it
say it clear, don't fight it
Ey, no fear, don't cower
don't wait, use your power!**

Pre-Chorus:

**You're worth it
Don't hide it!
And your gonna be o.k.!
You'll change it, if you
say watchu gotta say!**

**You deserve it, so fight it,
don't wait for another day!
Take your chance and
Say watchu gotta say!**

Rap:

If you don't say it - ah!
no one will listen -ey!
If you don't stand up,
No one will see you -ey!
If you don't sing out loud,
no one will hear you!
Just light that fire,
prove 'em all wrong,
you've gotta move on,
sing your own song!

Cause we need your fire,
we all need that light - ey!
to brighten the world
and start the right fight- ah!
If you don't stand up -ey!
No one will see you!
So, don't hide ey - ey!
Say watchu gotta say!

Chorus:
